| Naming rights to one selected networking-break (first come, first served, limited availability) | optional | optional | optional | optional | / |
| Company logo on reusable cups, napkins, etc. | optional | optional | optional | optional | / |

Special: Masterclass – target-oriented networking with experts

You design the Masterclass programme (duration: 2-4 hours), in which only selected professionals are allowed to participate. You select 10-20 participants from a pool of applicants. The Masterclass or the application procedure takes place within the framework of a vivis conference. TK Verlag organises the application procedure and provides the (digital) room, technical equipment (and catering) – these costs, plus a flat fee, will be charged to you.

Exhibit/Ad Pack

Roll-up

We ensure that TK Verlag receives our **company logo*** as soon as possible and the **advertisement** 6 weeks before the conference**. We also grant you permission to use the company logo in the vivis app, in the (e-)book accompanying the conference and during the conference itself.

* **Company logo** common file format, if possible as vector graphic, resolution at least 300 dpi

** **Advertisement** width 15.5 x height 23.5 cm + 3 mm bleed
(template for the full-page, four-colour advertisement as a printable PDF)

The staff member(s) to whom a free ticket is to be allocated will register via the online registration form (no later than 2 weeks before the conference).
